DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

#112 E. Second Street is a three story, flat roofed, running bond brick building which faces north on E. Second Street. It is a residential building and detached on the left side.

The principal facade is three bays wide with the main entrance located in the N/W first bay. The main entrance has a framing of Doric pilasters, paneled doorway enframement, and it is topped by a moulded pediment with a gold cross extending above. There is a single door with a plain panel at the bottom and with mullioned, twelve pane glass at the top. All windows are double hung, 2/2 sash with wooden sills and arch radiating voussoirs and are louvered shuttered. In line directly below the first story windows are two small cellar windows with wooden sills and the same arch radiating voussoirs. It has a stone foundation. The main entrance door is fronted by a three step brick stoop with red stone sill and plain iron railing. There is a gold cross on the pediment over the main building, designating this as a Convent.

The east end of the main block is eleven bays wide. One window on each story has been altered. There is a stone foundation and two exposed cellar windows that have been blocked.
